* * * * * * * * * * * * * * * * *

Hello, fellas. Before we use up all the space sounding off THIS week, we'll get right into the mail--okay?

* * * * * *

NORTH KOREA: Jan. 9:52
(10 degrees below zero,
& getting colder!)

Dear Reeces:

I received your card, requesting an address and postage check, so I decided to go you one better and write you a letter. Now that I've made that momentous decision--where do I begin?

As you can see by my letter head,--it's a bit chilly here. That is to say, I don't think a refrigerator salesman would smash any sales records in this territory! Being a native San Franciscan, I sort of looked forward to the snow, and my first white Christmas----after experiencing it, and carefully evaluating same I've decided that I'll take that good old 'Frisco Fog any old day!

I'm enclosing a "Gung Ho!" snapshot of yours truly to plage on the board. I feel a little guilty wishing it off on anybody, but it's all I've got.

The Marine Corps finally broke down and made me a SERGEANT! It just goes to show that the Age of Miracles is still with us. It just means that I'm making off with more of you poor tax payers' money!

I really enjoyed the last two issues of the Byline, and the back copies have been catching up with me. I think that sending the Byline to the servicemen free of charge is a very fine gesture on your part, and I would like to take this opportunity to express my personal thanks--it's really swell of you.

I'm out of ideas---so I had better close this for now. I am,

Sincerely yours,
BOB "RED" GREGORY.

(SERVICEMAN'S CORNER: cont'd)---

Thanks, Bob, for the nice letter. Any resemblance between you and your new Sgt. Rating, and the cartoon heading this column, is purely imaginary, and you thought of it--we didn't! We are including you a letter with this issue of the Byline--so 'nuff said here.

SAN DIEGO
Jan 9, 1952

Dear Mom and Pop Reece:

I received the latest copy of the Byline, and was very glad to get it. I had to take time out and read all three copies sent at once as soon as I got them. I sure hope you folks had a nice Christmas and New Years.

I am out in the Boondocks--still have one more week here. Then we will move back to the main base. The "Boondocks" out here is Camp Matthews Rifle Range. It is just a little ways to the road to the bus stop. They send our mail up here every day, so it isn't too bad. We live in tents up here. We bring every platoon here for three weeks of training on weapons.

Well, I will have to close this for now, and get busy before the Major comes through, inspecting. Thanks again for sending the Bylines.

Your friend,
DON (MICKEY) HUNTER

* * * * * * * * * * * * *

Thanks, Mickey. We have also included a letter to you with this issue of the Byline, so won't say much here.

Thought the rest of you guys might like to know that both of the boys are Marines, and are pretty faithful about writing. We appreciate this more than you fellas can ever know. Like we said last week---we like to get mail, too! And without mail from you, the Serviceman's column can become a pretty sad affair. Just a word or three from you about yourself, and how you are---that's all it takes. Remember, you have pals back home here who also like to read about you in the Serviceman's column. This column has become the most popular feature of the Byline---and small wonder. We now have more than seventy local boys in Service---and hardly anyone in town can say that they don't have a relative or friend among you. You are OUR BOYS, and we're proud of you, and miss you like the dickens. We know that you can't sit down and write a letter to each and every citizen of Brisbane---but you can drop a line to this column---that way EVERYONE can hear from you. Right? Right!

So long for now---and the best of everything to you all.------YE EDITOR.

BRISBANE THEATER TO HAVE FAMOUS STAR:

Bob Hutsell, Manager of the Brisbane Theater, is pleased to announce that HUNTZ HALL, better known as "Satch" of the Bowery Kids, and a star of Monogram Pictures, will be here in person on February 27th and 28th--acting as Master of Ceremonies in conjunction with a stage show featuring local talent and acts from "outside".

The Bowery Boys latest picture, "Crazy Over Horses", will also be shown on these two nights. All seats will go on sale at $1.00 each, starting with the advanced ticket sale date of February 5th, 6th, or 7th. There will be no definite choice of seats---the policy being first come, first served.

There will be two complete shows each night, with "Satch" appearing as M.C. at each performance.

According to Mr. Hutsell, "Satch" may also be here all day Thursday, February 28th, for personal appearances around town.

This is a long-awaited opportunity for those living in Brisbane, who have never seen a Movie Star in person, to not only SEE him, but possibly meet him, and talk with him. Of special interest to the young people in town, will be the story of how this young man rose to stardom, by "just being himself"--because, according to Mr. Hutsell, Huntz Hall is the same off-screen as on. In our opinion--the young man would HAVE to be born that way--NO one can act THAT good!

[illegible] OF TRUSTEES:

Approval of the preliminary plans for a new cafeteria building was given by the Board of Trustees of the Jefferson Union High School, at it's regular meeting last Monday evening, Jan. 14th.

Mario Ciampi, the school's architect, appeared before the board with the preliminary plans as worked out by him and the district superintendant, Stanford Hannah.

The new building will be located behind the present main building, and will be attached to the south wing and on the second floor to the auditorium.

The first floor will be used entirely for the cafeteria. The dining room will be larger than the one now in use and will have approximately a fourteen foot ceiling. The kitchen will have all the necessary auxiliary rooms such as storage room, walk-in refrigerator, employees' room, etc. There will be a small dining room for the faculty.

The second floor will contain rooms for clothing and foods classes, also a regular class room, a room for a school nurse, a little theater, seating about one hundred twenty-five---a faculty room, and a work & storage room for the stage. This room will be above part of the covered passage along the entire east side of the cafeteria.

The new building, to be of reinforced concrete, will form an enclosed court which may be used as an out-of-door dining area in fair weather.

The board also discussed the acquisition of property near Skyline for a site for a second high school. The district superintendent has been conferring with a representative of the owners. The question of price is the main item, of course. The board authorized the superintendent to proceed with the negotiations and fixed a maximum price.

It is hoped that the purchase of the site can be completed at an early date, though the title of the property is in several names.

SHEETMETAL WORKERS NEEDED:

At McClelland Air Force Base, located nine miles northeast of Sacramento, one of the largest sheetmetal shops in the Air Force plugs away continually--manufacturing new sheetmetal structures; removing damaged parts and installing new structures; cutting, fitting, inspecting; making sure it's share of keeping planes in flight is done properly.

These sheetmetal workers at McClellan are experts--they have to be. Manufacture and installation of the structures to close tolerances must be perfect, or things are likely to happen.

Right now McClellan employment officials are announcing more openings for aircraft sheetmetal workers, pay ranging from $1.74 to $2.24 per hour. A good opportunity is waiting for sheetmetal men who want to gain wider experience in an expanding field. Talk advantage of it ---McClellan is a good place to work and you will be doing your part in national defense.

Other openings announced by the Base include radio and electronic workers, aircraft service mechanics, engine installers, airframe repairers, aircraft instrument mechanics---and other jobs.

Information concerning vacancies may be obtained from U.S.Civil Service announcements available at the Post Office, or by writing to the Executive Secretary, Board of U.S.Civil Service Examiners, McClellan Air Force Base, McClellan, California.

COUNTY'S HEALTH STATUS GOOD: (From an article in the Burlingame Advance)--

Chickenpox led the list of victims of communicable diseases in San Mateo Co. during the past month. The San Mateo County Health Dept. recorded 121 cases of the illness, with the greatest number (35) centering in Menlo Park.

San Mateo was second with 24 cases, and Sharp Park third with 19 cases. Several communities only registered one each.

The total is in comparison with 61 cases of chickenpox for the month of Dec. for the preceding year.

Mumps came second in number--with 47 cases reported throughout the county. San Carlos registered the greatest number --24 cases. San Mateo second with nine cases, and Menlo Park third with eight. December of the preceding year (1950) registered 24 cases of Mumps in all.

The report shows 23 cases of scarlet fever, with Burlingame leading with four cases. There were four cases of polio reported during the month, three from San Mateo, the other from Millbrae.

Hillsborough had the only case of meningitis. There were 17 cases of measles, with 12 centered in Sharp Park.

Whooping cough took a decided drop, only three cases being reported, and all of these in San Carlos. Food poisoning brought illness to 5 persons, all of Half Moon Bay.

DEMATTEIS AND DOLWIG NOT CANDIDATES:

District Attorney Louis B. Dematteis, a Democrat, announced yesterday that he will not be a candidate for Congress from San Mateo County at the June Primary Election. It was learned, at the same time, that Assemblyman Richard Dolwig of San Carlos, a Republican, plans to announce that he will not run for Congress, but will seek re-election to the Assembly.

Announced Republican candidates are Mrs. Lucille Athern of San Mateo (S.F.Attorney) ---F. Herschel Campbell, San Mateo City Councilman---Daniel J. Creedon, San Mateo Justice of the Peace and ex-mayor---Henry F. Missolwitz, San Carlos writer---Thomas A. Sullivan, Menlo Park Attorney---and James C. Whittaker, Burlingame (retired builder and labor union official).

The only Democrat to announce his candidacy so far, is Victor C. Binsacca, San Mateo City Councilman.

SPECIAL ELECTION FOR JEFF BD. OF TRUSTEES:

A special election to continue the sixty cent increase in the tax rate limit has been called by the Board of Trustees of the Jefferson Union High School. The election has been set for Tuesday, February 26th.

Five years ago the voters of the district approved a sixty cent increase in the tax rate limit for a period of five years by a vote of 1034 to 397. The five year period having expired, it becomes necessary to re-submit the question to the people.

Jefferson has the lowest assessed valuation per student of any high school in San Mateo County.

"It simply isn't possible to conduct a good school and pay decent salaries to teachers and other employees without the additional revenue this increase provides --stated Stanford Hannah, district superintent recently.

"The school is growing steadily; a new building on the present campus is to be erected and a second school will be built in the next few years. These facts all result in increased costs and the assessed valuation does not increase as rapidly as does the enrollment and the consequent expense." continued Hannah.

Revenues provided by the increased tax rate limit will be used for all general expenses of operation, maintenance, instruction, capital outlay, etc. Some of the funds would be used to furnish and equip the new building and the new school.

The construction of these buildings and the purchase of the site will be financed by the sale of bonds approved by the voters last year. However, bond money may not be used for current expenditures.

Members of the board are unanimous in their support of the increased tax rate limit. "It should be remembered", said Peter Markovich, chairman of the board,"that this election is merely to continue the present tax rate limit. It does not increase present taxes."

Other members of the board are; Mrs. Anna Eason, Mrs. Mildred McGeoin, Mr. Thomas Callan, Sr., and Mr. Lyal Ingersoll.

NAZARENE REVIVAL:

Attention!! A revival will start on February 3rd, 1952, at the Church of the Nazarene on Mono at Klamath Street in Brisbane.

Hartley Postlewaite, of San Francisco, will have charge of the music. Our speaker will be Reverend A.L.Diffee. If you have ever heard Rev. Diffee, you know the Reverend really preaches the true gospel of Jesus Christ!

You won't want to miss these services, starting February 3rd at 11:00 a.m. and 7:30 p.m., through the following week.

All the people of Brisbane are cordially invited to attend an old fashioned revival. Remember, it's at the "Church of the Nazarene" on Mono St. at Klamath.

Sincerely,
THE NAZARENE CHURCH.

BRISBANE BOYS STAR IN JEFF BASKETBALL:

(From an article in the San Francisco News)---Jefferson High's Larry Blanchard and Don Delbon played the starring roles last Friday night (January 18th), as the the Indian varsity won it's second tilt of the season by thumping Half Moon Bay High, 59 to 40, in the Jefferson Gym.

The Cougar lightweights took the opener with a 34-30 win over the Jeffs.

At the start, it appeared that Pat McDougall, the Half Moon Bay guard, would beat the Jeffs all by himself. He tossed in 12 points in the first quarter, on every conceivable type of shot, but he cooled down quickly, getting two points in the second period and four in the last two quarters.

Blanchard and Delbon, although used sparingly by Coach Mike Orlich for the Jeffs, Blanchard with 17 points and Delbon with 6.

The Jeff lightweights seemingly had their contest signed, sealed and delivered. They had a 23 to 14 lead over the Coastsiders at the end of the third period. But the Cougars roared hard in the

BRISBANE P.T.A. "FROLIC" HUGE SUCCESS:

Last Friday evening (January 18,1952) the Brisbane Parent-Teachers' Association sponsored an "Old Fashioned Frolic" at the Brisbane American Legion Hall. At 7 P.M. a box luncheion was held, after which games were played between 9 and 10 P.M.

The Circle Eight, newly formed square dancing group of Brisbane, gave an exhibition of some of their specialty numbers, after which dancing was enjoyed by the entire group. Costumes were of the Gay Nineties period, with men wearing cowboy outfits, and the ladies looking lovely in ginghams and sunbonnets.

Mr. Richard Trantham and Mr. Thomas Prouse served jointly as chairmen for the Frolic, while Mesdames Richard Wright, Ira Romriello, and Arlie Wallace served as members of the refreshment committee.

To these people go many thanks for the success of this affair; said thanks coming from our P.T.A. president, Mrs. Roy Edwards.

MARCH OF MOTHERS HERE THURS. NIGHT:

The Brisbane Parent-Teachers' Association is proud to announce that this Unit will participate in the Polio Drive now sweeping the country. Brisbanites are asked to keep their porch lights burning on the evening of Thursday, Jan. 31st, from seven to eight P.M. if they wish to contribute to the March of Dimes.

Mothers of the community will come to the doors of the porch-lighted houses to collect donations. Large or small, every cent will be appreciated. Let's make the quota for this most worthy cause.

Mrs. Ardis Evans (JU 5-6014) and Mrs. Roy Edwards are heading this committee. Mrs. Edwards' phone number is JU 5-7406. They are taking names of the Mothers who wish to be included in the March of Mothers--so do call them and submit your name.
